**RACHEL ROXXX**

**VIVICA J COXX**

## **Raunchy Rachel**

I was spoiled from the moment I was born. When I was young, it was my appearance that got me everything I wanted. Then, it was my boyfriends and later my husband who provided me with anything I asked for. Then I learned I had sex appeal and used it to make any man come crawling back to me, begging for more. So I became an expert in using my steamy pussy to get me orgasms as well as expensive gifts. Lately however, there was only one thing I was lusty after. My freedom from financial worries and it feels great to have it.

— Rachel, LA

## **Getting the Kinks Out**

Just saw your magazine and loved the pictorial with Vivica J Foxx. What a foxx. She's got beautiful skin color and a healthy sexual appetite, but what I especially like is her kinky hair. It reminds me of an old girlfriend whose kinky hair was twice as long as Vivica's, but we had a lot of fun with it. When she rode me cowgirl style at night, it would drape down around us and it cut off the rest of the room and a soft light would come through the strands and take us to another world.

— Rick, Tampa

## Aspen Ass Worship

Aspen was possibly the worst driver on the planet she knew it and tried to stay away from cars as much as she could (except when she was posing in them!). She had the day off from work and it didn't take long for her to decide she deserved to have a day out on the town to relax. She got dolled up in some of her sexiest gear as she tried to do on her days off. One day she hit the road on her way to the mall. Unfortunately, or fortunately, she never made it. She hadn't been driving long when she heard the familiar sounds of a police siren and saw the flashing lights in her rearview mirror. Pulling over on the side of the road, she was starting to panic. As the handsome man in uniform approached, Aspen was glad she had worn a shirt with no bra. Undoing the top buttons, she rolled down the window and gave the officer a nice look at the goods. Being a straightforward girl she told the officer she was ready to suck him off. I leaned over and undid the rest of her buttons. She didn't get a ticket!

– Lily, Malibu

## Naughty Nadia

During the time I was a student counselor at a local university, it was not a particularly interesting job, but the pay was great, however. One of the female counselors was Nadia. There were some days when she didn't need to do any work at all. Things were good for her. But the main reason why she decided to never leave her job was a much dirtier one. Every once in a while she would hit the jackpot. It was common knowledge that the guys on the school's football team like to get rough and when things really got out of hand, the coach would send them for session with Nadia to hash out their problems and become better teammates. What nobody knew was that Nadia did much more than just sit around and talk about their problems. It wasn't everyday she had two young strapping men in her office and when it did happen, there was no time to waste. Nadia's success was because her secret surefire way to build teamwork between two hunky ballers was to offer herself up for a sizzling three-way. Needless to say, our team went undefeated last year

**I CAN get off on just about anything.**

My girlfriends thought it would be a cute idea to set me up with a one night stand. I reluctantly agreed and when I came home to my apartment, there was this huge purple ball in the middle of the living room with a note on it. At first all I saw was a ball and wondered what the note meant, Then I rolled it a few times to discover a purple cock attached to it. Kick back and watch!

## LADIES do it better.

After a couple of rather dull hook ups with men, bikini-mates Kendra and Eva decided that each other's pussies were way better than the cocks they had been experiencing. Slowly, they convinced each other that it's time to taste each other's honey pots and immediately began their down ward journeys to pussyland. And we got the pictures to prove it!

# THE MAN CAVE

MODEL  
SEX

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Saturday morning and I just left the warmth and security of my man cave, knowing I'd be back to settle in for some basketball games later on my 60" TV screen. I was sitting outside of the coffee shop sipping my java to help ease the hangover and get the cobwebs out of the brain when I saw this amazing beauty walking towards me. It was the walk that got me to notice her first. One of those crossover things that models do as strut their stuff up and down the catwalks.

Now I don't know what's called, but the cross-

over describes it perfectly. The woman plants one foot ahead of her, then when she moves the other foot it goes directly ahead in a straight line to where the previous one had been. It means that her behind is shaking like jelly. Very sexy.

So that was the first thing that attracted me to Ashlie, her sexy fuckin' walk. The second was her face, honest! She was very pretty, and had lovely longish black hair that looked like she brushed it for an hour before setting foot outside the house.

Then I looked at her legs. They were long, bronze and had killer high heels. She wore little denim cutoffs and her breasts were held at bay a shiny red bikini top, which looked like it had been painted on her boobies. In one hand, she held a mobile phone, and the other an ice cream cone, which she was licking. And the way she licked it that made me realize she had a super cock - sucking mouth.

Here comes the woman that should be a supermodel I said, out loud, as she got close to me. She looked down at me sitting there, and it wasn't a "What rock did you crawl out from under?" kind of look, either. She actually smiled.

Then she spoke. I could see and hear her. She was around 23, maybe even 24. Then she set herself down at my table, directly opposite and sucked on her ice cream cone again. "You like the way I walk?" she coyly asked.

"That, among other things." I grinned, after sucking down all my coffee.

She raised an eyebrow. "Tell me more, while I finish my ice cream." she said, and then ordered a mocha.

"Well, I said you are extremely attractive, not just attractive, beautiful. You're tall, I like tall. You got great legs and you also got the sense of humor I like." I replied.

She smiled, and it was still a warm smile. "Well, I'll accept the beautiful, tall and great legs part," she said, "but how do you reckon I got a sense of humor?"

"Just by the way you didn't tell me to get fucked and then sat down with me." I said. "I like that."

Ashlie, I found out her name later, of course, grinned and said. "Get me that mocha and we could talk about fucking."

I gasped, "OK." it was a mock gape. "Hell, you should pass my breakfast station more often." I said. With a look inside I saw Janie, a little wait person staring and pointing at me and mouthed the word 'mocha.'

**...her father insisted she take over his pool business. Then I asked if there was a husband in the picture.**

After Janie had delivered the mocha, Ashlie told me her name, that she just moved into a luxury apartment building next to mine, and that she'd often wished she'd been a model, but her father insisted she take over his pool business. Then I asked if there was a husband in the picture.

"Of course not," she said, "why do you think I said we can talk about fucking? But talking's not all I want to do."

# THE IMAN CAVE

MODEL  
SEX

It took about ten minutes flat to get to her apartment. Once inside, she stepped into my arms and I grabbed her, feeling her flesh hot and smooth and firm and we kissed. Her hands were on my crotch in an instant, and she had my belt and my slacks down by my ankles. She pulled my cock from my boxers and was stroking me as I liberated her puppies from her top. I discovered firm, nipple-erect boobs. I sucked on them for a minute then worked on the broad belt that held up her cutoffs and pushed it to the floor. She wasn't wearing panties; her pussy was wet!

Ashlie dragged me into the bedroom, and when she lay on the bed on her back, I kicked off my cross trainers and pulled off my T-shirt; then I dove onto her pussy, my mouth urgently seeking the musky, sexy, wet folds of her sex. She ground my head into her crotch, then panted with excitement. "Don't stop there until you finish what you started," she said. "And since you know what you're supposed to do with your tongue, this won't take long!"

I took that as a compliment and continued lapping at her labia, her pussy, and her clit. When she came, and she was right, it didn't take her

long. She was a noisy cummer and I took that as a complement too. She kept me trapped between her strong thighs, until she got back to earth and then allowed me to move up until my cock was brushing against her outer pussy lips. Then I clenched my buttocks and rammed it into her. It slid easily in, and I humped away – hard. We kissed hot and hard during the fuck, and soon I was ready to shoot. She drained me, but she was an exciting fuck and that we'd be doing it again, real soon.

Ashlie rolled out from beneath me and said, "I'm going to shower, then you're taking me out to brunch," before heading into her bathroom. I climbed from the bed and on the table by window, I saw a large book. It turned out to be a scrapbook plastered with pictures of her posing in all sorts of sexy gear and bikinis.

The last clipping was a news story whose headline read, 'Supermodel says 'NO' to catwalk return.' Apparently, Ashlie Stephens, 19, former supermodel, was quite happy to continue running the pool business she had inherited from her dad. We went out for brunch, then came back to her apartment and fucked some more.

### A COCK a day...

My breasts, mouth and pussy are perfectly designed fucking tools. They're meant to be used to attract and seduce a man. Or in my case, many men. And I don't let my mate stand in the way. I think by the time you're twenty or so, you're going to know a lot about your own sexual appetite, but to get that information to stay in the brain after you become monogamous is a difficult part of life. I like sex and I'm going to have it with whomever I like, because I can!

## **BOLD & beautiful.**

I know it's hard to believe just by looking at me now that I was a nerdish, shy kid, afraid of the dark, boys, and kittens. Then I grew out of my insecurities and into a vixen ready to take on any cock with my kitty. Getting bolder was a long process, but once I discovered my beauty, it was much easier. I managed my men and my women. Pussy or cock was fine with me as long as I was in control of the scene.

### **THIS is not in that book.**

There are some things you can learn from a book and some things you cannot. While the book may explain things and give you pictures, it is not the same until you experience what is on the pages. And even then, the feeling cannot be explained, like when a big cock is deep inside a pussy. That's true from both sides, male or female. But then we were made that way, so enjoy and read on!

SMART ASS

## VANESSA LANE

I don't know how or why I've lasted so long in the adult business. I hope my fans see how much I love sex and they know I'll put on a good show for them. I'll do it as long as my pussy, mouth and ass can take it!

**Fox:** You're a hard girl to pin down so I did some research on you. What's all the stuff that you were a bad girl in your youth?

**Vanessa:** Yes, I used to fight with all the principals and staff. I used to go jumping around doing crazy things with friends. That was when I lost my virginity. It was with one of the guys I ran around with, but I don't even remember it at all. I was usually so hammered at the time.

**Fox:** But not for long apparently?

**Vanessa:** Yeah, I grew out of it very quickly after I moved to New York. I began working in the financial markets; futures brokering; stock brokering; foreign exchange. I made good money doing that but it stressed me out too much. So I bailed and wound up in Los Angeles.

**Fox:** Did you ever do anything crazy in L.A.?

**Vanessa:** I did a ton of crazy things. I was known for it. I was once pulled over by the cops who said I was swerving all over the road. One of them recognized me and we had a great convo, but he still made me walk the line.

**Fox:** so all this criminal behavior, that's like an Australian spring, right? Isn't your whole country like one big penal colony or something?

# VANESSA LANE

---

**Vanessa:** *I used to get into a lot of brawls. NY girls can be a little bit crazy. I think it's part of our fun-loving nature. We are laid-back, but can be very rough at the same time.*

**Fox:** You've played a variety of erotic video roles over the years. Do you consider yourself a versatile performer or just plain horny?

**Vanessa:** *I think I'm some of both. I guess as I got older doing porn, the producers and directors began to look at me differently. But I've enjoyed that, being able to be in all different kinds of roles, and not just being the one with the big snarly mouth, who looked like she was 18 or 19, or took it in the ass every day.*

**Fox:** Every day? But you hardly ever let yourself get butt-fucked.

**Vanessa:** *Yeah right. It was almost every day and for sure on the days that I worked. It was my thing, and all the directors and fans knew it.*

**Fox:** Of course it was, er, is. Anyone can see you are very pretty, with a great body, and you will suck in fuck on cue. You've made some decent bucks, I assume, and are pretty well known in the adult world. Do you want to hit a higher level of success in porn as an actress or director?

**Vanessa:** *Well, I've actually wanted to get into mainstream movies, but I feel I have been unable to break through to bigger and better opportunities. I've had a few chances; I did a small part in a made-for-TV movie and some other small mainstream parts. I've done a bunch of porn magazine covers and did a porn Internet talk show and stuff like that. Even in porn I haven't had the success as some of the more famous stars, even though I've been in the business just as long.*

**Fox:** Does that upset you or give you resolve?

**Vanessa:** *I think about it, but don't obsess about it. Life has to go on and so do I.*

# VANESSA LANE

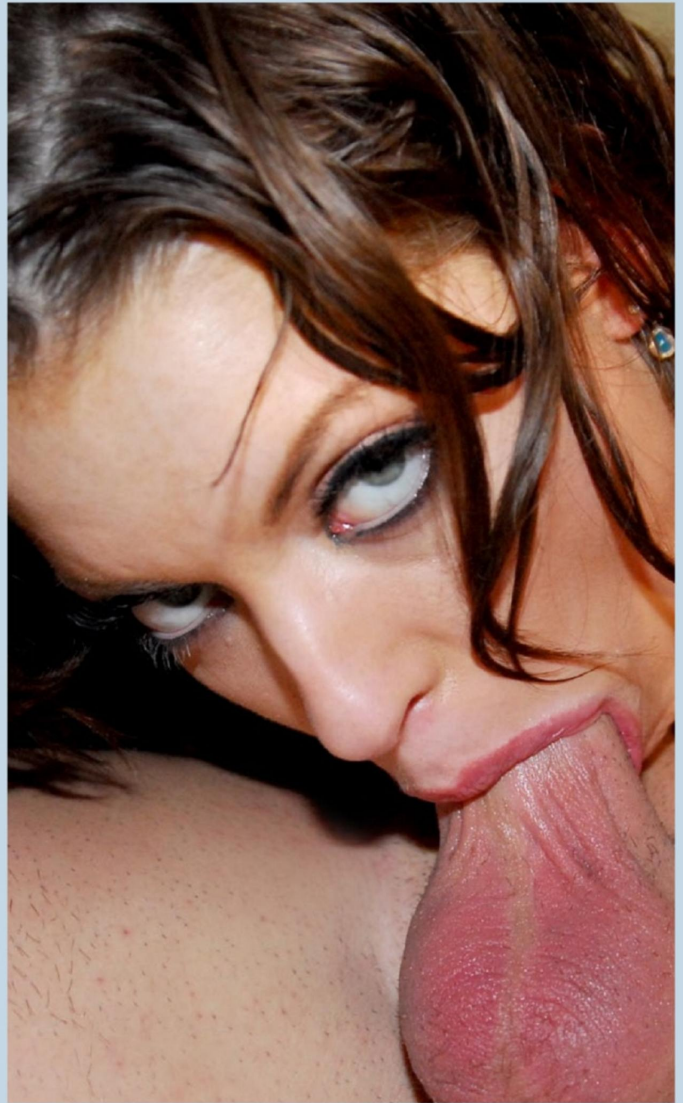

---

**Fox:** But you must think about their successes?

**Vanessa:** Well I don't look at it that way. Those people got in at the right time and with a great publicity machine, with a great company behind them, they get big. I didn't start off wanting to be a big porn star; I wanted to be a mainstream actress. I was hiding my porn work for years because of my family and the mainstream agents. Others want to become a big porn stars from the start and then break off. I actually sabotaged my porn career for many years early on by getting caught up in the partying and all. I spent all my money in the beginning, usually lending it to others who asked for it, and so I gave. So that is how I got where I am today.

**Fox:** Left turn here... Do you have difficulty cumming on camera with men and/or women?

**Vanessa:** The problem on camera is that working with a guy involves a lot of directed positions and stopping and starting. In a girl-girl scene, it's much easier to come because it flows better. And there's no visible cum so we can just keep going. Just have to be sure to scream, wiggle and moan!

## YES ma'am, madame, librarian.

I used to work at the college library evenings and weekends for my last two years to help pay my way through school. At first it was kinda exciting in a library-sort-of-way. Then it bacame dull and boring. Until I saw some students making out and others screwing in the stacks. That made me think and I would get excited walking around pretending to put books away, but really just looking for them. When I got me a boyfriend, the first place we did it was in the library.

**You got time for a threesome? WE DO!**

Tyra and Jessica got into it right away. Kissing and fondling each other; licking and kissing all over the other's body. It was hard to get them to stop when the photographer yelled cut. They had to stop because there was a hard-on in the room awaiting their mouths for a double bj. First up is Tyra, then Jessica get her licks in. And then it's time to share the cock. They'll fuck him until he cums and then the two can share his juices.
